

Keystone GHPT GIANT® High Performance Taste & Odor Cartridges

NEW!

**Whole house filtration
for good tasting,
crystal clear water
throughout your home**

✓ **Reduce chlorine, chemicals,
dirt, rust, sediment* and silt**

* For best results and longer cartridge life on water with high sediment, use
Keystone's DirtHog™ sediment filter prior to GHPT taste and odor filter

Keystone's new GHPT cartridges combine the highest chlorine reduction capacity with the lowest pressure drop for excellent whole house taste and odor control.

Engineered using the finest coconut shell activated carbon, GHPT cartridges are made to the highest standards of the Water Quality Association's Gold Seal Program.

These Cartridges Feature:

- Longer life
- Higher flow
- Lower pressure drop
- Sizes to fit Keystone GIANT® and comparable large diameter housings

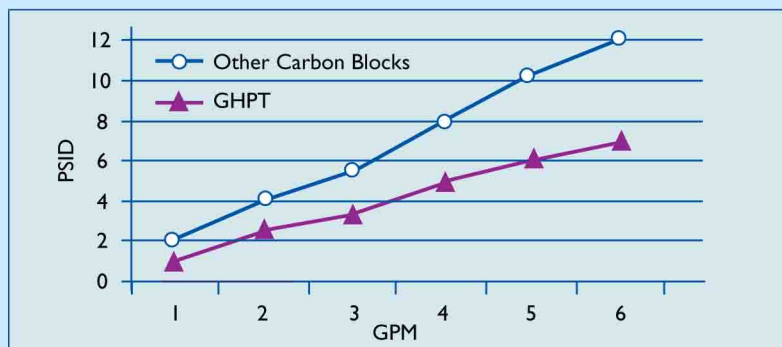

Warnings:

Operating conditions can change performance. Actual results will vary depending on conditions and amounts of organic contaminants, changes in pH or other conditions encountered in actual use. USE KEYSTONE FILTERS ONLY WITH MICROBIOLOGICALLY SAFE WATER. All information presented here is based on data believed to be reliable. It is offered for evaluation and verification, but is not considered to be a warranty of any kind.

Very High Chlorine Capacity

Model Number	Dimensions	Micron Rating	Chlorine Reduction
GHPT-10	4-1/2" x 9-3/4"	3.0	>45,000 gallons @ 4 gpm
GHPT-20	4-1/2" x 20"	3.0	>90,000 gallons @ 8 gpm

Very Low Pressure Drop (Comparison of 10" Giant Carbon Cartridges)

05-5584 608
